MEMORANDUM FOR: Chairman, DCI Security Committee

SUBJECT : SECOM-COMIREX Memorandum of Understanding

We have now completed our staff review of your 28 August draft on this subject. My own view is that the existing working relations and cooperative spirit between our committees have served us both well in the past and can be expected to do so in the future. Certainly, as a matter of policy, I propose to foster an active and close inter-working by COMIREX with the Security Committee whether or not a formal memorandum of understanding is on the books. If you still consider such a document necessary, however, I believe that a mutually acceptable text can be worked out with only a few adjustments in your draft. I have asked [ ] COMIREX Executive Secretary, to work with your staff and the SIGINT Committee staff as appropriate in developing and coordinating a revised text.
